THE JUDGES HIGHLIGHTED

- Strong commitment to owners through a range of grants and further providing opportunities for owners to connect and/or reconnect to the whenua.
- Extensive wetland and habitat restoration, practically demonstrating their commitment to kaitiakitanga.
- Otama Marere has worked hard in establishing a diversity of crops on orchard with an improving productivity trajectory. They have taken a leading role in growing SunGold G3 as one of the first Māori owned orchards to grow this crop.
